Please explain in detail what kind of display units you use to compliment your craft(s).

For example: Are they tall frames that would block the next table? Pictures will also help, so please send them. Please keep in mind that we will accommodate you the best that we can. Not everyone can have wall space.

REMEMBER:

We do this on a first come, first serve basis! Send in your application soon!

Vendors are also asked to donate an item to our Rafflemania Sales Area. Thank you!

To avoid a phone call please check which day you will be setting up. Friday evening is preferred by the committee. Remember, if you choose to set up on Saturday, you need to be set up by 7:30 am. We don't want empty spaces when the public starts arriving. If you are not set up by 7:30 am your space will be given away and no refund will be given. NO EXCEPTIONS!
